[~~To provide for this,~~]The insurer shall annually contribute fifty percent (50%) of the earned premiums ***from mortgage guaranty insurance contracts*** to this ***liability, which shall be maintained for ten (10) years regardless of the coverage period for which premiums were paid***[~~reserve~~]. [~~The earned premiums so reserved may be released, annually, after the specified time of one hundred eighty (180) months has elapsed. However,~~]Subject to the approval of the commissioner, ***the contingency***[~~this~~] reserve may be ***released in any year in which actual incurred losses exceed thirty-five percent (35%) of the corresponding earned premiums. Any reductions shall be made on a first-in, first-out basis. Changes in the reserve shall be recorded directly to unassigned funds***[~~available only for loss payments, when the loss ratio (incurred losses to premiums earned) exceeds twenty percent (20%). This amount so used shall reduce the next subsequent annual release to surplus from the established contingency reserve~~].

Section 21. KRS 304.6-100 is amended to read as follows:

(1) As to casualty insurance transacted by it, each insurer shall maintain at all times reserves in an amount estimated in the aggregate to provide for payment of all losses and claims incurred, whether reported or unreported, which are unpaid and for which the insurer may be liable, and to provide for the expenses of adjustment or settlement of losses and claims. The reserves shall be computed in accordance with regulations from time to time made by the commissioner, after due notice and hearing, upon reasonable consideration of the ascertained experience and the character of such kind of business for the purpose of adequately protecting the insured and the solvency of the insurer.

(2) Whenever the loss and loss expense experience of the insurer show that reserves, calculated in accordance with such regulations, are inadequate, the commissioner may require the insurer to maintain additional reserves.

(3)[~~The minimum reserve requirements prescribed by the commissioner for unpaid losses and loss expenses incurred during each of the most recent three (3) years for coverages included in the lines of business described in the insurer's annual statement as workers' compensation, liability other than auto (B.I.), and auto liability (B.I.) shall not be less than the following: for workers' compensation, sixty-five percent (65%) of premiums earned during each year less the amount already paid for losses and expenses incidental thereto incurred during such year; for liability other than auto (B.I.) and auto liability (B.I.), sixty percent (60%) of premiums earned during each year less the amount already paid for losses and expenses incidental thereto incurred during such year.~~

~~(4)~~] The commissioner may, by regulation, prescribe the manner and form of reporting pertinent information concerning the reserves provided for in this section.

Section 22. KRS 304.6-171 is amended to read as follows:

(1) This section shall become operative at the end of the first full calendar year following the year of enactment.

(2) Every life insurance company doing business in this state shall annually submit the opinion of a qualified actuary as to whether the reserves and related actuarial items held in support of the policies and contracts specified by the commissioner by administrative regulation are computed appropriately, are based on assumptions which satisfy contractual provisions, are consistent with prior reported amounts, and comply with applicable laws of this state. The commissioner by administrative regulation shall define the specifics of this opinion and add any other items deemed to be necessary to its scope.

(3) (a) Every life insurance company, except as exempted by or pursuant to administrative regulation, shall also annually include in the opinion required by subsection (2) of this section, an opinion of the same qualified actuary as to whether the reserves and related actuarial items held in support of the policies and contracts specified by the commissioner by administrative regulation, when considered in light of the assets held by the company with respect to the reserves and related actuarial items, including but not limited to the investment earnings on the assets and the considerations anticipated to be received and retained under the polices and contracts, make adequate provision for the company's obligations under the policies and contracts, including but not limited to the benefits under and expenses associated with the policies and contracts.

(b) The commissioner may provide by administrative regulation for a transition period for establishing any higher reserves which the qualified actuary may deem necessary in order to render the opinion required by this section.

(4) Each opinion required by subsection (2) of this section shall be governed by the following provisions:

(a) A memorandum, in form and substance acceptable to the commissioner as specified by administrative regulation, shall be prepared to support each actuarial opinion.

(b) If the insurance company fails to provide a supporting memorandum at the request of the commissioner within a period specified by administrative regulation or the commissioner determines that the supporting memorandum provided by the insurance company fails to meet the standards prescribed by the administrative regulations or is otherwise unacceptable to the commissioner, the commissioner may engage a qualified actuary at the expense of the company to review the opinion and the basis for the opinion and prepare the supporting memorandum as is required by the commissioner.

(5) Every opinion shall be governed by the following provisions:

(a) The opinion shall be submitted with the annual statement reflecting the valuation of reserve liabilities for each year ending on or after December 31, 1996.

(b) The opinion shall apply to business in force including individual and group health insurance plans, in form and substance acceptable to the commissioner as specified by administrative regulation.

(c) The opinion shall be based on standards adopted from time to time by the Actuarial Standards Board and on such additional standards as the commissioner may by administrative regulation prescribe.

(d) In the case of an opinion required to be submitted by a foreign or alien company, the commissioner may accept the opinion filed by that company with the insurance supervisory official of another state if the commissioner determines that the opinion reasonably meets the requirements applicable to a company domiciled in this state.

(e) For the purposes of this section, "qualified actuary" means a member in good standing of the American Academy of Actuaries who meets the requirements set forth in administrative regulations.

(f) Except in cases of fraud or willful misconduct, the qualified actuary shall not be liable for damages to any person, other than the insurance company and the commissioner, for any act, error, omission, decision, or conduct with respect to the actuary's opinion.

(g) Disciplinary action by the commissioner against the company or the qualified actuary shall be defined in administrative regulations by the commissioner.

(h) *Except as provided in Section 1 of this Act, documents, materials, or other information in the possession or control of the commissioner that are a memorandum in support of the opinion, and any other material provided by the company to the commissioner in connection with the memorandum, shall be confidential by law and privileged, but may be used, received, and shared in accordance with Section 1 of this Act.*

(i) Any memorandum in support of the opinion, and any other material provided by the company to the commissioner in connection ***may***[~~therewith, shall be kept confidential by the commissioner and shall not be made public and shall not~~] be subject to subpoena[~~, other than~~] for the purpose of defending an action seeking damages from ***the actuary submitting the memorandum***[~~any person~~] by reason of any action required by this section or by administrative regulations promulgated hereunder.

(j) The memorandum or other material may otherwise be released by the commissioner with the written consent of the company or to the American Academy of Actuaries upon request stating that the memorandum or other material is required for the purpose of professional disciplinary proceedings and setting forth procedures satisfactory to the commissioner for preserving the confidentiality of the memorandum or other material.

(k) Once any portion of the confidential memorandum is cited by the company in its marketing, or is cited before any governmental agency other than a state insurance department, or is released by the company to the news media, all portions of the confidential memorandum shall be no longer confidential.

Section 23. KRS 304.6-180 is amended to read as follows:

(1) If in any contract year the gross premium charged by any life insurer on any policy or contract, which is subject to subsection (2) of KRS 304.6-140, is less than the valuation net premium for the policy or contract calculated by the method used in calculating the reserve thereon, but using the minimum valuation standards of mortality and rate of interest, the minimum reserve required for such policy or contract shall be the greater of either the reserve calculated according to the mortality table, rate of interest, and method actually used for such policy or contract, or the reserve calculated by the method actually used for such policy or contract but using the minimum standards of mortality and rate of interest and replacing the valuation net premium by the actual gross premium in each contract year for which the valuation net premium exceeds the actual gross premium. The minimum valuation standards of mortality and rate of interest referred to in this section are those standards stated in KRS 304.6-140 and 304.6-145. Provided that for any life insurance policy issued on or after January 1, 1986, for which the gross premium in the first policy year exceeds that of the second year and for which no comparable additional benefit is provided in the first year for such excess and which provides an endowment benefit or a cash surrender value or a combination thereof in an amount greater than such excess premium, the foregoing provisions of this section shall be applied as if the method actually used in calculating the reserve for such policy were the method described in KRS 304.6-150, ignoring the second subsection of that section. The minimum reserve at each policy anniversary of such a policy shall be the greater of the minimum reserve calculated in accordance with KRS 304.6-150, including the second subsection of that section, and the minimum reserve calculated in accordance with this section.

(2) When the anticipated losses, loss adjustment expenses, commissions, and the acquisition costs, and maintenance costs exceed the recorded unearned premium reserve, and any future installment premiums on existing policies, a premium deficiency reserve shall be recognized by a property and casualty insurer by recording an additional liability for the deficiency, with a corresponding charge to operations. Commission and other acquisition costs need not be considered in the premium deficiency analysis to the extent they have previously been expensed. For purposes of determining if a premium deficiency exists, insurance contracts shall be grouped in a manner consistent with how policies are marketed, serviced, and measured. A liability shall be recognized for each grouping where a premium deficiency is indicated. Deficiencies shall not be offset by anticipated profits in other policy groupings. If a premium deficiency reserve is established, disclosure of the amount of that reserve shall be made in the financial statements. If a reporting

entity utilizes anticipated investment income as a factor in the premium deficiency calculation, disclosure of this shall be made in the financial statements.

(3) When the anticipated losses, loss adjustment expenses, commissions and other acquisition costs, and maintenance costs exceed the recorded unearned premium reserve, contingency reserve, and the estimated future renewal premium on existing policies, a mortgage guaranty insurer shall recognize a premium deficiency reserve by recording an additional liability for the deficiency with a corresponding charge to operations. Commissions and other acquisition costs need not be considered in the premium deficiency analysis to the extent they have been expensed. If a mortgage guaranty insurer utilizes anticipated investment income as a factor in the premium deficiency calculation, disclosure of this shall be made in the financial statements.

(4) When the expected claims payments or incurred costs, claim adjustment expenses and administration costs exceed the premiums to be collected for the remainder of a contract period, an individual or group accident and health insurer or health maintenance organization shall recognize a premium deficiency reserve by recording an additional liability for the deficiency, with a corresponding charge to operations. For purposes of determining if a premium deficiency exists, contracts shall be grouped in a manner consistent with how policies are marketed, serviced, and measured. A liability shall be recognized for each grouping where a premium deficiency is indicated. Deficiencies shall not be offset by anticipated profits in other policy groupings. Such accruals shall be made for any loss contracts, even if the contract period has not yet started.

(2) The portion of ***the***[~~such~~] expense fund to be paid by each[~~ such~~] insurer shall be in the same approximate proportion as the amount ***the***[~~such~~] insurer had on deposit on December 31 of the preceding year bears to the total such deposits of all insurers as of December 31 of the preceding year. (1) (a) Every insurer domiciled in this state shall file a report with the commissioner disclosing material acquisitions and dispositions of assets or material nonrenewals, cancellations, or revisions of ceded reinsurance agreements unless the acquisitions and dispositions of assets or material nonrenewals, cancellations, or revisions of ceded reinsurance agreements have been submitted to the commissioner for review, approval, or information purposes pursuant to other provisions of this chapter.

(b) The report required in paragraph (a) of this subsection is due within fifteen (15) days after the end of the calendar month in which any of the foregoing transactions occur.

(c) One (1) complete copy of the report, including any exhibits or other attachments, shall be filed with:

1. The insurance department of the insurer's state of domicile; and

2. The National Association of Insurance Commissioners.

(d) All reports ***in the possession or control of the commissioner*** obtained by or disclosed to the commissioner pursuant to this section shall be[~~ given~~] confidential ***by law and privileged, but may be used, received, and shared in accordance with Section 1 of this Act. However, the reports may***[~~treatment and shall not be subject to subpoena and shall not~~] be made public by the commissioner, ***with either***[~~the National Association of Insurance Commissioners, or any other person, except to insurance departments of other states, without~~] the prior written consent of the insurer to which it pertains ***or a finding by***[~~unless~~] the commissioner, after giving the insurer who would be affected notice and opportunity to be heard,[~~ determines~~] that the interest of policyholders, shareholders, or the public will be served by publication, in which event the commissioner may publish all or any part ***of the***

reports in the manner the commissioner may deem appropriate.

(2) (a) No acquisitions or dispositions of assets need be reported pursuant to subsection (1) of this section if the acquisitions or dispositions are not material. For purposes of this section, a material acquisition, or the aggregate of any series of related acquisitions during any thirty (30) day period, is one that is nonrecurring and not in the ordinary course of business and involves more than five percent (5%) of the reporting insurer's total admitted assets as reported in its most recent statutory statement filed with the insurance department of the insurer's state of domicile.

2. Asset dispositions subject to this section include every sale, lease, exchange, merger, consolidation, mortgage, hypothecation, assignment (whether for the benefit of creditors or otherwise), abandonment, destruction, or other disposition.

An insurer is deemed to have ceded substantially all of its direct and assumed business to a pool if the insurer has less than one million dollars ($1,000,000) total direct plus assumed written premiums during a calendar year that are not subject to a pooling arrangement and the net income of the business not subject to the pooling arrangement represents less than five percent (5%) of the insurer's capital and surplus.

(3) (a) No nonrenewals, cancellations, or revisions of ceded reinsurance agreements need be reported pursuant to subsection (1) of this section if the nonrenewals, cancellations or revisions are not material. b. More than fifty percent (50%) of the insurer's total ceded indemnity and loss adjustment reserves.

2. As respects life, annuity, and accident and health business, more than fifty percent (50%) of the total reserve credit taken for business ceded, on an annualized basis, as indicated in the insurer's most recent annual statement.

3. As respects either property and casualty or life, annuity, and accident and health business, either of the following events shall constitute a material revision which must be reported:

a. An authorized reinsurer representing more than ten percent (10%) of a total cession is replaced by one (1) or more unauthorized reinsurers; or

b. Previously established collateral requirements have been reduced or waived as respects one (1) or more unauthorized reinsurers representing collectively more than ten percent (10%) of a total cession.

(b) No filing shall be required if:

1. 2. As respects life, annuity, and accident and health business, the total reserve credit taken for business ceded represents, on an annualized basis, less than ten percent (10%) of the statutory reserve requirements prior to any cession.

(c) The following information is required to be disclosed in any report of a material nonrenewal, cancellation, or revision of ceded reinsurance agreements:

1. Effective date of the nonrenewal, cancellation, or revision;
2. The description of the transaction with an identification of the initiator thereof;
3. Purpose of, or reason for, the transaction; and
4. If applicable, the identity of the replacement reinsurers.

(d) Insurers are required to report all material nonrenewals, cancellations, or revisions of ceded reinsurance agreements on a nonconsolidated basis unless the insurer is part of a consolidated group of insurers which utilizes a pooling arrangement or one hundred percent (100%) reinsurance agreement that affects the solvency and integrity of the insurer's reserves and the insurer ceded substantially all of its direct and assumed business to a pool if the insurer has less than one million dollars ($1,000,000) total direct plus assumed written premiums during a calendar year that are not subject to a pooling arrangement and the net income of the business not subject to the pooling arrangement represents less than five percent (5%) of the insurer's capital and surplus.

(2) The right of ingress to and egress from the location of the burial of descendants' and family members' ancestors and relatives on privately owned lands in the Commonwealth that is recognized by the General Assembly in subsection (1) of this section is not intended to alter the recognized common law right of a person to visit the grave site of a deceased relative, nor shall it alter any easements, licenses, privileges, or other dedications which grant the right to visit the grave sites of deceased relatives and are in existence as of the effective date of this Act.

(3) Any person denied reasonable access under the provisions of subsection (1) of this section may bring an action in the Circuit Court of the county in which the cemetery or grave site is located to enjoin the owner of the private lands on which the cemetery or grave site is located, or his or her agent, from denying the person reasonable ingress to and egress from the cemetery or grave site for the purposes set forth in subsection (1) of this section. (2) At the time specified for the disinterment and reinterment, the cemetery operator shall permit the next of kin and, if requested, the owner of the burial space to witness the disinterment and reinterment.

(3) The expense of the disinterment and proper reinterment shall be paid by the cemetery in which the body or cremated remains were improperly interred.

SECTION 29. A NEW SECTION OF KRS CHAPTER 307 IS CREATED TO READ AS FOLLOWS:

(1) The secretary of the Finance and Administration Cabinet shall perform an inventory listing the number, location, and tribal affiliation, if known, of all Native American remains that are currently held by state funded agencies, institutions, or universities. (2) The secretary of the Finance and Administration Cabinet shall perform an inventory listing of state owned real estate, including but not limited to, cemeteries that would be suitable for reinterment of Native American remains. Section 30. KRS 213.076 is amended to read as follows:

(1) A certificate of death or a provisional certificate of death for each death which occurs in the Commonwealth shall be filed with the cabinet or as otherwise directed by the state registrar prior to final disposition, and it shall be registered if it has been completed and filed in accordance with this section. The funeral director, or person acting as such, who first takes custody of a dead body shall be responsible for filing the certificate of death. The funeral director, or person acting as such shall obtain the required personal and statistical particulars from the person best qualified to supply them over the signature and address of the informant. The funeral director, or person acting as such, shall within five (5) days of the death, present the certificate to the attending physician, if any, or to the health officer or coroner as directed by the state registrar, for the medical certificate of the cause of death and other particulars necessary to complete the record as required by this chapter.

(a) It shall be unlawful for an institution to release a dead human body until the funeral director, or person acting as such, has completed and filed with the local registrar or person in charge of the institution, a provisional certificate of death. If death occurs outside an institution, the provisional certificate shall be filed with the local registrar by the funeral director, or person acting as such, prior to final disposition of the dead body. A copy of the provisional certificate of death signed by the person with whom it was filed, shall constitute authority for the possession, transportation, and, except for cremation, final disposition of the body.

(b) All persons having in their possession a completed provisional certificate of death shall file the certificate at not more than weekly intervals with the local registrar.

(c) If the place of death is unknown but the dead body is found in the Commonwealth, the certificate of death shall be completed and filed in accordance with this section. The place where the body is found shall be shown as the place of death. If the date of death is unknown, it shall be determined by approximation subject to amendment upon completion of any postmortem examination required to be performed.

(d) If death occurs in a moving conveyance in the United States and the body is first removed from the conveyance in the Commonwealth, the death shall be registered in Kentucky, and the place where it is first removed shall be considered the place of death. If a death occurs on a moving conveyance while in international waters or air space or in a foreign country or its air space and the body is first removed from the conveyance in the Commonwealth, the death shall be registered in Kentucky, but the certificate shall show the actual place of death insofar as can be determined.

(e) Effective January 1, 2003, in the case of a death in which the body or cremated remains are to be placed in a grave, vault, tomb, crypt, or niche, the specific location of the grave, vault, tomb, crypt, or niche within a cemetery shall be listed in the appropriate location on the death certificate by the individual responsible for filing the certificate of death.

(2) If any certificate of death is incomplete or unsatisfactory, the state registrar shall call attention to the defects in the certificate and require the person responsible for the entry to complete or correct it. The state registrar may also require additional information about the circumstances and medical conditions surrounding a death in order to properly code and classify the underlying cause.

(3) The medical certification shall be completed, signed, and returned to the funeral director within five (5) working days after presentation to the physician, dentist, or chiropractor in charge of the patient's care for the illness or condition which resulted in death, except when inquiry is required by KRS 72.400 to 72.475. In such cases, the coroner shall complete and sign the certificate within five (5) days after receiving results of the inquiry as required by KRS 72.400 to 72.475. In the absence of the physician, dentist, or chiropractor, or with such person's approval, the certificate may be completed and signed by his associate physician, dentist, or chiropractor, or the chief medical officer of the institution in which death occurred, or the physician who performed an autopsy upon the decedent, or a physician employed by the local health department, if the individual has access to the medical history of the case and death is due to natural causes.

(4) If death occurs more than thirty-six (36) hours after the decedent was last treated or attended by a physician, dentist, or chiropractor, the case shall be referred to the coroner for investigation to determine and certify the cause of death. In the event that a coroner is not available to sign the certificate and there is no duly appointed deputy, the county judge/executive shall appoint a competent person to investigate the death and certify to its cause.

(5) The physician, dentist, chiropractor, or coroner who certifies to the cause of death shall return the certificate to the funeral director, or person acting as such, who, in turn, shall file the certificate directly with the Office of Vital Statistics. Any certified copies of the record requested at the time of filing shall be issued in not more than two (2) working days.

(6) The Office of Vital Statistics shall provide self-addressed, color-coded envelopes for the funeral homes in the Commonwealth of Kentucky.

(7) Three (3) free verification-of-death statements shall be provided to the funeral director by the Office of Vital Statistics for every death in the Commonwealth of Kentucky.

(8) The body of any person whose death occurs in Kentucky shall not be interred, deposited in a vault or tomb, cremated or otherwise disposed of, or removed from or into any registration district, until a provisional certificate of death has been filed with the local registrar of the registration district in which the death occurs. If the death occurred from a disease declared by the Cabinet for Health Services to be infectious, contagious, or communicable and dangerous to the public health, no permit for the removal or other disposition of the body shall be granted by the registrar except under conditions

prescribed by the Cabinet for Health Services and the local health department. The Cabinet for Health Services shall identify by regulation those communicable diseases which require blood and body fluid precautions. If a person who has been diagnosed as being infected with a communicable disease for which blood and body fluid precautions are required, dies within a health facility as defined in KRS 216B.015, the facility shall notify any embalmer or funeral director to whom the body will be transported of the need for such precautions. The notice shall be provided by including the statement "Blood and Body Fluid Precautions" on the provisional report-of-death form as prescribed by the Cabinet for Health Services. Lack of this notice shall not relieve any embalmer or funeral director from taking universal blood and body fluid precautions as are recommended by the United States Department of Health and Human Services, Centers for Disease Control for Morticians' Services. No embalmer or funeral director shall charge more for embalming the remains of a person with a communicable disease which requires blood and body fluid precautions than the price for embalming services listed on the price list funeral providers are required to maintain and provide to consumers pursuant to 16 C.F.R. Sec. 453.2 (1988).

(9) A burial-transit permit for the final disposition issued under the law of another state which accompanies a dead body or fetus brought into the Commonwealth shall be the authority for final disposition of the body or fetus in the Commonwealth and may be accepted in lieu of a certificate of death. There shall be noted on the face of the record made for return to the local registrar that the body was shipped to Kentucky for interment and the actual place of death.

(10) Nothing in this section shall be construed to delay, beyond a reasonable time, the interment or other disposition of a body unless the services of the coroner or the health officer are required or the Department for Public Health deems it necessary for the protection of the public health. If compliance with this section would result in unreasonable delay in the disposition of the body the funeral director, or person acting as such, shall file with the local registrar or deputy registrar prior to interment a provisional certificate of death which shall contain the name, date, and place of death of the deceased, the name of the medical certifier, and an agreement to furnish within ten (10) days a complete and satisfactory certificate of death.

(11) No sexton or other person in charge of any place in which interment or other disposition of dead bodies is made shall inter or allow interment or other disposition of a dead body or fetus unless it is accompanied by a copy of the provisional certificate of death. The sexton, or if there is no sexton, the funeral director, or person acting as such, shall enter on the provisional certificate over his signature, the date, place, and manner of final disposition and file the certificate within five (5) days with the local registrar.

(12) Authorization for disinterment, transportation, and reinterment or other disposition shall be required prior to disinterment of any human remains. The authorization shall be issued by the state registrar upon proper application. The provisions of this subsection shall apply to all manners of disposition except cremation and without regard for the time and place of death. The provisions of KRS 381.765 shall not apply to remains removed for scientific study and the advancement of knowledge.

(13) After a death certificate has been on file for five (5) years, it may not be changed in any manner except upon order of a court. Prior to that time, requests for corrections, amendments, or additions shall be accompanied by prima facie evidence which supports the requested change.

SECTION 2. A NEW SECTION OF KRS CHAPTER 508 IS CREATED TO READ AS FOLLOWS:

(1) A verdict of guilty or a plea of guilty to KRS 508.140 or 508.150 shall operate as an application for a restraining order limiting the contact of the defendant and the victim who was stalked, unless the victim requests otherwise.

(2) The court shall give the defendant notice of his or her right to request a hearing on the application for a restraining order. If the defendant waives his or her right to a hearing on this matter, then the court may issue the restraining order without a hearing.

(3) If the defendant requests a hearing, it shall be held at the time of the verdict or plea of guilty, unless the victim or defendant requests otherwise. The hearing shall be held in the court where the verdict or plea of guilty was entered.

(4) A restraining order may grant the following specific relief:

(a) An order restraining the defendant from entering the residence, property, school, or place of employment of the victim; or

(b) An order restraining the defendant from making contact with the victim, including an order forbidding the defendant from personally, or through an agent, initiating any communication likely to cause serious alarm, annoyance, intimidation, or harassment including, but not limited to, personal, written, telephonic, or any other form of written or electronic communication or contact with the victim. An order issued pursuant to this subsection relating to a school, place of business, or similar nonresidential location shall be sufficiently limited to protect the stalking victim but shall also protect the defendant's right to employment, education, or the right to do legitimate business with the employer of a stalking victim as long as the defendant does not have contact with the stalking victim.

(5) A restraining order issued pursuant to this section shall be valid for a period of not more than ten (10) years, the specific duration of which shall be determined by the court. Any restraining order shall be based upon the seriousness of the facts before the court, the probability of future violations, and the safety of the victim and his or her immediate family.

(6) Unless the defendant has been convicted of a felony, or is otherwise ineligible to purchase or possess a firearm under federal law, a restraining order issued pursuant to this section shall not operate as a ban on the purchase or possession

of firearms or ammunition by the defendant.

(7) The restraining order shall be issued on a form prescribed by the Administrative Office of the Courts and may be lifted upon application of the stalking victim to the court which granted the order.

(8) The circuit clerk shall, within twenty-four (24) hours, enter a restraining order into the Law Information Network of Kentucky, and shall, within twenty-four (24) hours of a removal of an order, accordingly update the Law Information Network of Kentucky.

(9) A restraining order issued under this section shall be enforced in any county of the Commonwealth. Law enforcement officers acting in good faith in enforcing a restraining order shall be immune from criminal and civil liability.

(10) A violation by the defendant of an order issued pursuant to this section shall be a Class A misdemeanor. Nothing in this section shall preclude the filing of a criminal complaint for stalking based on the same act which is the basis for the violation of the restraining order.

(5) The application for a permit, or renewal of a permit, to carry a concealed deadly weapon shall be obtained from the office of the sheriff in the county in which the person resides. The completed application and all accompanying material plus an application fee or renewal fee, as appropriate, of sixty dollars ($60) shall be presented to the office of the sheriff of the county in which the applicant resides. (a) The name, address, place and date of birth, gender, and Social Security number of the applicant;

(b) A statement that, to the best of his knowledge, the applicant is in compliance with criteria contained within subsections (2) and (3) of this section;

(c) A statement that the applicant has been furnished a copy of this section and is knowledgeable about its provisions;

(d) A statement that the applicant has been furnished a copy of, has read, and understands KRS Chapter 503 as it pertains to the use of deadly force for self-defense in Kentucky; and

(e) A conspicuous warning that the application is executed under oath and that a materially false answer to any question, or the submission of any materially false document by the applicant, subjects the applicant to criminal prosecution under KRS 523.030.

(6) The applicant, if a resident of the Commonwealth, shall submit to the sheriff of the applicant's county of residence:

(a) A completed application as described in subsection (5) of this section;

(b) A recent color photograph of the applicant, as prescribed by administrative regulation; and

(c) A photocopy of a certificate or an affidavit or document as described in subsection (2)(f) of this section.

(7) The Department of State Police shall, within ninety (90) days after the date of receipt of the items listed in subsection (6) of this section, either:

(a) Issue the license; or

(b) Deny the application based solely on the grounds that the applicant fails to qualify under the criteria listed in subsection (2) or (3) of this section. If the Department of State Police denies the application, it shall notify the applicant in writing, stating the grounds for denial and informing the applicant of a right to submit, within thirty (30) days, any additional documentation relating to the grounds of denial. Upon receiving any additional documentation, the Department of State Police shall reconsider its decision and inform the applicant within twenty (20) days of the result of the reconsideration. The applicant shall further be informed of the right to seek de novo review of the denial in the District Court of his place of residence within ninety (90) days from the date of the letter advising the applicant of the denial.

(8) The Department of State Police shall maintain an automated listing of licenseholders and pertinent information, and this information shall be available on-line, upon request, at all times to all Kentucky law enforcement agencies. Except as provided in this subsection, information on applications for licenses, names and addresses, or other identifying information relating to license holders shall be confidential and shall not be made available except to law enforcement agencies. Requests for information to be provided to any requester other than a bona fide law enforcement agency which has direct access to the Law Enforcement Information Network of Kentucky shall be made, in writing, directly to the commissioner of the Department of State Police, together with the fee required for the providing of the information. The Department of

State Police shall, upon proper application and the payment of the required fee, provide to the requester in hard copy form only, a list of names of all holders in the Commonwealth of a license to carry a concealed deadly weapon. No identifying information other than the name shall be provided, and information for geographic areas or other subdivisions of any type from the list shall not be provided and shall be confidential. The fee to be charged shall be the same as for other public records provided by the Department of State Police. No request for lists of local or statewide permit holders shall be made to any state or local law enforcement agency, peace officer, or other agency of government other than the Department of State Police, and no state or local law enforcement agency, peace officer, or agency of government, other than the Department of State Police, shall provide any information not entitled to it by law. The names of all persons, other than law enforcement agencies and peace officers, requesting information under this section shall be a public record.

(9) Within thirty (30) days after the changing of a permanent address, or within thirty (30) days after the loss or destruction of a license, the licensee shall notify the Department of State Police of the loss or destruction. Failure to notify the Department of State Police shall constitute a noncriminal violation with a penalty of twenty-five dollars ($25) payable to the clerk of the District Court. When a licensee makes application to change his or her residence address or other information on the license, neither the sheriff nor the Department of State Police shall require a surrender of the license until a new license is in the office of the applicable sheriff and available for issuance. Upon the issuance of a new license, the old license shall be destroyed by the sheriff.

(10) If a license is lost or destroyed, the license shall be automatically invalid, and the person to whom the same was issued may, upon payment of fifteen dollars ($15) to the Department of State Police, obtain a duplicate, upon furnishing a notarized statement to the Department of State Police that the license has been lost or destroyed.

(11) A license issued under this section shall be suspended or revoked if the licensee becomes ineligible to be issued a license under the criteria set forth in subsection (2)(a), (c), (d), (e), (f), or (h) of this section. When a domestic violence order or emergency protective order is issued pursuant to the provisions of KRS Chapter 403 against a person holding a license issued under this section, the holder of the permit shall surrender the license to the court or to the officer serving the order. The officer to whom the license is surrendered shall forthwith transmit the license to the court issuing the order. The license shall be suspended until the order is terminated, or until the judge who issued the order terminates the suspension prior to the termination of the underlying domestic violence order or emergency protective order, in writing and by return of the license, upon proper motion by the license holder. Subject to the same conditions as above, a peace officer against whom an emergency protective order or domestic violence order has been issued shall not be permitted to carry a concealed deadly weapon when not on duty, the provisions of KRS 527.020 to the contrary notwithstanding.

(12) Not less than ninety (90) days prior to the expiration date of the license, the Department of State Police shall mail to each licensee a written notice of the expiration and a renewal form prescribed by the Department of State Police. The licensee may renew his license on or before the expiration date by filing with the sheriff of his county of residence the renewal form, a notarized affidavit stating that the licensee remains qualified pursuant to the criteria specified in subsections (2) and (3) of this section, and the required renewal fee. The license shall be renewed to a qualified applicant upon receipt of the completed renewal application and appropriate payment of fees. When a licensee makes application for a renewal of his or her license, neither the sheriff nor the Department of State Police shall require a surrender of the license until the new license is in the office of the applicable sheriff and available for issuance. Upon the issuance of a new license, the old license shall be destroyed by the sheriff. A licensee who fails to file a renewal application on or before its expiration date may renew his license by paying, in addition to the license fees, a late fee of fifteen dollars ($15). No license shall be renewed six (6) months or more after its expiration date, and the license shall be deemed to be permanently expired six (6) months after its expiration date. A person whose license has permanently expired may reapply for licensure pursuant to subsections (5), (6) and (7) of this section.

(13) No license issued pursuant to this section shall authorize any person to carry a concealed firearm into:

(a) Any police station or sheriff's office;

(b) Any detention facility, prison, or jail;

(c) Any courthouse, solely occupied by the Court of Justice courtroom, or court proceeding, except that nothing in this section shall preclude a judge from carrying a concealed weapon;

(d) Any meeting of the governing body of a county, municipality, or special district; or any meeting of the General Assembly or a committee of the General Assembly, except that nothing in this section shall preclude a member of the body, holding a concealed deadly weapon license, from carrying a concealed deadly weapon at a meeting of the body of which he is a member;

(e) Any portion of an establishment licensed to dispense beer or alcoholic beverages for consumption on the premises, which portion of the establishment is primarily devoted to that purpose;

(g) An area of an airport to which access is controlled by the inspection of persons and property; or

(h) Any place where the carrying of firearms is prohibited by federal law.

(14) The owner, business or commercial lessee, or manager of a private business enterprise, day-care center as defined in KRS 199.894 or certified or licensed family child-care home as defined in KRS 199.8982, or a health-care facility licensed under KRS Chapter 216B, except facilities renting or leasing housing, may prohibit persons holding concealed deadly weapon licenses from carrying concealed deadly weapons on the premises and may prohibit employees, not authorized by the employer, holding concealed deadly weapons licenses from carrying concealed deadly weapons on the property of the employer. If the building or the premises are open to the public, the employer or business enterprise shall post signs on or about the premises if carrying concealed weapons is prohibited. Possession of weapons in a vehicle on the premises shall not be a criminal offense so long as the weapons are not removed from the vehicle or brandished while the vehicle is on the premises. A private but not a public employer may prohibit employees or other persons holding a concealed deadly weapons license from carrying concealed deadly weapons in vehicles owned by the employer, but may not prohibit employees or other persons holding a concealed deadly weapons license from carrying concealed deadly weapons in vehicles owned by the employee, except that the Justice Cabinet may prohibit an employee from carrying any weapons, other than the weapons issued or authorized to be used by the employee of the cabinet, in a vehicle while transporting persons under the employee's supervision or jurisdiction. Carrying of a concealed weapon in a location specified in this subsection by a license holder shall not be a criminal act but may subject the person to denial from the premises or removal from the premises, and, if an employee of an employer, disciplinary measures by the employer.

(15) All moneys collected by the Department of State Police pursuant to this section shall be used to administer the provisions of this section. By March 1 of each year, the Department of State Police and the Administrative Office of the Courts shall submit reports to the Governor, the President of the Senate, and the Speaker of the House of Representatives, indicating the amounts of money collected and the expenditures related to this section and KRS 237.115, 244.125, 527.020, and 527.070, and the administration of the provisions of this section and KRS 237.115, 244.125, 527.020, and 527.070.

(16) The General Assembly finds as a matter of public policy that it is necessary to provide statewide uniform standards for issuing licenses to carry concealed firearms and to occupy the field of regulation of the bearing of concealed firearms to ensure that no person who qualifies under the provisions of this section is denied his rights. The General Assembly does not delegate to the Department of State Police the authority to regulate or restrict the issuing of licenses provided for in this section beyond those provisions contained in this section. This section shall be liberally construed to carry out the constitutional right to bear arms for self-defense.

(17) (a) A person who has a valid license issued by another state *or territory* of the United States to carry a concealed deadly weapon in that state may, subject to provisions of Kentucky law, carry a concealed deadly weapon in Kentucky, and his *other* license shall be considered as valid in Kentucky.

(b) *If a person who has a valid concealed deadly weapon license or permit issued by another state or territory of the United States and that person becomes a resident of Kentucky, the out-of-state concealed deadly weapon license shall remain valid in Kentucky until its date of expiration at which time the person shall obtain a Kentucky concealed deadly weapon license.*

(c) *A person who has a valid concealed deadly weapon license issued by another state or territory may obtain a Kentucky concealed deadly license in Kentucky without meeting the training requirements specified in this section if the state or territory which issued the previous license had a training requirement which specified that an applicant for a license receive firearms safety training, training on the use of deadly force, and qualify on a range with a firearm prior to the issuance of the other state's or territory's license. The burden of proving that the other state or territory had the requirements specified in this subsection shall be on the applicant and shall be satisfied by including a copy of the relevant statute or administrative regulation from the state or territory which issued the license with the application for a Kentucky concealed deadly weapon license.*

(d) The Department of State Police shall, not later than thirty (30) days after July 15, 1998, and not less than once every six (6) months thereafter, make written inquiry of the concealed deadly weapon carrying licensing authorities in each other state as to whether a Kentucky resident may carry a concealed deadly weapon in their state based upon having a valid Kentucky concealed deadly weapon license, or whether a Kentucky resident may apply for a concealed deadly weapon carrying license in that state based upon having a valid Kentucky concealed deadly weapon license. The Department of State Police shall attempt to secure from each other state permission for Kentucky residents who hold a valid Kentucky concealed deadly weapon license to carry concealed deadly weapons in that state, either on the basis of the Kentucky license or on the basis that the Kentucky license is sufficient to permit the issuance of a similar license by the other state. The Department of State Police shall enter into a written reciprocity agreement with the appropriate agency in each state that agrees to permit Kentucky residents to carry concealed deadly weapons in the other state on the basis of a Kentucky-issued concealed deadly weapon license or that will issue a license to carry concealed deadly weapons in the other state based upon a Kentucky concealed deadly weapon license. If a reciprocity agreement is reached, the requirement to recontact the other state each six (6) months shall be eliminated as long as the reciprocity agreement is in force. The information shall be a public record and shall be available to individual requesters free of charge for the first copy and at the normal rate for open records requests for additional copies.

(18) By March 1 of each year, the Department of State Police shall submit a statistical report to the Governor, the President of the Senate, and the Speaker of the House of Representatives, indicating the number of licenses issued, revoked, suspended, and denied since the previous report and in total and also the number of licenses currently valid. The report shall also include the number of arrests, convictions, and types of crimes committed since the previous report by individuals licensed to carry concealed weapons.

Each grievance shall be investigated as necessary and the executive director shall assign each grievance to an inquiry panel. All inquiry panels and the executive director shall have the power to issue investigatory subpoenas for the appearance of any person or production of any record, document, or other item within the jurisdiction of the Commonwealth. The panel or executive director may seek enforcement of investigatory subpoenas and search warrants in the courts of the Commonwealth as may be necessary.

The letter of concern shall be a public document and may be used in future disciplinary actions against the physician;***

(c) The grievance discloses an instance of misconduct which does not warrant the issuance of a complaint; in these instances, the panel may admonish the physician for his misconduct; or

(d)[~~(c)~~]The grievance discloses one (1) or more violations of the provisions of this chapter which warrant the issuance of a complaint; in these instances, the panel shall cause a complaint to be prepared, signed by the presiding officer, which shall contain sufficient information to apprise the named physician of the general nature of the charges.

(4) The inquiry panel shall cause a complaint to be served on the charged physician by personal delivery or by certified mail to the physician's last address of which the board has record. The physician shall submit a response within thirty (30) days after service. Failure to submit a timely response or willful avoidance of service may be taken by the board as an admission of the charges.

No member who served on the inquiry panel may also serve as a member of the hearing panel. The hearing panel or the hearing officer on behalf of the panel shall preside over all proceedings pursuant to the issuance of a

(c) Imposes discipline upon the licensee; in these instances, the panel may revoke, suspend, restrict, deny, or limit a license, or may reprimand ***a licensee*** or place a licensee on probation under terms the panel may establish to protect the licensee, his patients, or the general public. The hearing panel may impose a fine whenever it finds that a violation of this chapter has occurred. (9) The presiding officer at any proceeding held pursuant to a complaint or show cause order shall take whatever measures are necessary to protect the privacy interests of individuals other than the charged physician upon a showing that evidence is to be introduced, the public disclosure of which would constitute a clear invasion of personal privacy. It is the general policy of the Commonwealth that administrative proceedings should be open to the public. Therefore, in applying this subsection, the presiding officer shall balance the competing interests and employ the least restrictive measures available to protect the privacy interests involved.

SECTION 14. A NEW SECTION OF KRS 311.530 TO 311.620 IS CREATED TO READ AS FOLLOWS:

(1) When a hearing panel imposes discipline in a final order pursuant to KRS 13B.120 and subsection (7) of Section 13 of this Act, the panel may fix the appropriate sanction for the violation, but withhold imposition of the sanction under an order of probation for a period of not more than five (5) years, with the requirement that the physician fully comply with the terms and conditions specified by the panel as necessary for the protection of the public and rehabilitation of the physician's practice.

(2) If the board receives information that a licensee has violated a term or condition of an order of probation issued under subsection (1) of this section during the effective period of that order, the board shall investigate the allegations as necessary. The board shall have all of the powers outlined in subsection (2) of Section 13 of this Act and subsection (2) of Section 19 of this Act to conduct its investigation.

(3) Upon completion of its inquiry relating to a violation of probation, the hearing panel shall make a finding that:

(a) The investigation does not disclose a violation of the order of probation;

(b) The investigation discloses a violation of a term or condition of the order of probation but that revocation of probation and imposition of the previously fixed sanction may not be necessary for protection of the public, and the panel may admonish or issue a letter of concern to the physician stating its findings and cautioning that another violation shall result in revocation of probation and imposition of the previously fixed sanction; or

(c) The investigation discloses one (1) or more violations of the terms and conditions of the order of probation, and the panel shall cause a motion to revoke probation to be prepared and signed by the presiding officer. The motion shall identify the term or condition violated and include a general statement of the nature of the violation and shall set a date and time for a revocation hearing.

(4) The hearing panel shall cause the motion to revoke probation to be served on the physician by personal delivery or by certified mail to the last address on record with the board for the physician or the physician's representative.

(5) The hearing on the motion to revoke probation shall be conducted in accordance with KRS Chapter 13B, but the single issue to be decided shall be whether the physician has violated a term or condition of the order of probation. Any recommended order issued under KRS 13B.110 shall be limited to recommended findings of fact and recommended conclusions of law.

(6) Upon completion of the hearing on the motion to revoke probation, the hearing panel shall issue an order that:

(a) Denies the motion upon a conclusion that the order of probation has not been violated;

(b) Finds a violation of the order of probation but does not impose the previously fixed sanction and the panel may:

1. Modify the terms and conditions of probation to address issues presented during the hearing; or

2. Admonish the physician or issue a letter of concern to the physician; or

(c) Imposes the previously fixed sanction.

HCR 104, A CONCURRENT RESOLUTION requesting and petitioning the Kentucky Congressional Delegation to urge the U.S. Forest Service to replace its recently established guidelines on the care, maintenance, and burials at cemeteries in the Land Between the Lakes Recreation Area with the long-established policies imposed by the Tennessee Valley Authority.

WHEREAS, the Land Between the Lakes Recreation Area encompassing portions of Lyon and Trigg Counties in Kentucky and Stewart County in Tennessee was created by the federal government as a beautiful, scenic recreational area to be enjoyed by many; and

WHEREAS, prior to the land's acquisition by the federal government, generations of families inhabited this land, dating back to the first white settlers in the area; and

WHEREAS, in acquiring the land, families with strong ancestral ties to the land were displaced; and

WHEREAS, from its inception in 1964 and throughout the creation of the Land Between the Lakes Recreation Area, assurances were made to those displaced and remaining alike, and among the most sacred was a promise to provide access to and entrust the care of the 250 or so cemeteries there to the relatives, friends, and cemetery associations; and

WHEREAS, this policy recognized the sanctity of the family by permitting additional burials if space was available, and it remained in place until 2001; and

WHEREAS, the management of the Land Between the Lakes was changed from the Tennessee Valley Authority (TVA) to the U.S. Department of Agriculture Forest Service in 1999, and the TVA's policies concerning the cemeteries have been replaced by policies viewed by the families of those interred as an encroachment of their rights to visit, be buried, or maintain the cemeteries; and

WHEREAS, the new guidelines and the possibility that they may be updated or changed every year place the families and friends of those interred or wishing to be interred in the cemeteries in an uncertain position; and

WHEREAS, the broken promises and the state of flux the families must endure have caused considerable heartache and have disrupted the continuity the families shared;

NOW, THEREFORE,

Be it resolved by the House of Representatives of the General Assembly of the Commonwealth of Kentucky, the Senate concurring therein:

Section 1. The Kentucky Congressional Delegation is requested to urge the U.S. Forest Service to replace its recently established guidelines on the care, maintenance, and burials at cemeteries in the Land Between the Lakes Recreation Area with the previous, long-held policies imposed by the Tennessee Valley Authority.

Such license or certification shall render the holder a legal practitioner of the practice or activity specified in the license or certification for the period stated on it. The board shall prescribe by administrative regulation the beginning and ending of the licensure or certification period.

(4) Any person who is licensed or certified by the board who allows his or her license or certification to lapse by failing to renew the license or certification as provided in this section may be reinstated by the board on payment of the current fee for original licensure or certification and by meeting the requirements of administrative regulations promulgated by the board.

(a) Specified in the most recent curriculum of the United States Department of Transportation training course for paramedics; and

(b) Any additional procedure specified by the board by administrative regulation.

(2) When there is a change in the United States Department of Transportation curriculum for paramedics, or the board approves an additional skill or procedure by administrative regulation, or approves a protocol differing from the curriculum or administrative regulations, no person who was not trained under that curriculum or administrative regulation shall perform any activity or procedure in the new curriculum, administrative regulation, or protocol unless the person has been trained according to the new curriculum, administrative regulation, or protocol and demonstrates competency in the new knowledge or skill. Competency in a new skill shall be demonstrated through a return demonstration to a competent evaluator. If the board adopts the new procedure or skill, the board shall promulgate an

administrative regulation specifying the new procedure, training requirements, examination requirements, and a time period during which the paramedic shall successfully complete the material or lose his or her license as a paramedic.

(3) A paramedic may draw blood samples from a criminal defendant upon the request of a peace officer and the consent of the defendant, or without the consent of the defendant upon receipt of a court order requiring the procedure, if the paramedic is authorized to do so by his or her employer. The authorization shall be in writing and may be by general written policy of the employer and the service's medical director. The paramedic who drew the blood sample shall deliver the sample to the peace officer or other person specified by the court in a court order and shall testify in court with regard thereto upon service of a proper subpoena.

(4) A paramedic shall be permitted to render services only under the supervision of an emergency medical services medical director.

(5) Any provision of this chapter other than this section relating to the supervision of a paramedic, requirement for additional training, requirement for skill examination, or approval of standing orders, protocols, or medical procedures to the contrary notwithstanding, a paramedic may be employed by a hospital to work as a licensed paramedic in the emergency department of the hospital subject to the following conditions:

- *(a) The hospital designates a physician meeting the requirements specified in Section 4 of this Act either employed by the hospital or who has staff privileges at the hospital and is under contract to the hospital to be the medical director for all paramedics who work in the emergency department of the hospital;*
- *(b) The hospital medical staff provides written standing orders, protocols, medical procedures, and hospital procedures by which paramedics shall operate;*
- *(c) A paramedic shall function in the emergency department under the orders of a physician employed by the hospital, a physician who by contract has staff privileges at the hospital, or a physician specified in the standing orders, protocols, or medical procedures issued by the hospital;*

- *(e) Subject to the provisions relating to the scope of practice of a paramedic, a hospital may require a paramedic to take additional training on any subject or skill which the paramedic may be required to perform in a hospital and demonstrate competency in the skill or subject to a competent evaluator; and*
- *(f) The paramedic does not violate the provisions of Section 32 of this Act or any other statute or administrative regulation relating to a paramedic.*

No provision of this section shall prevent a paramedic from being employed in any other section of the hospital where the paramedic's job duties do not require certification or licensure by the board and do not otherwise constitute the unlawful practice of medicine.

(6) Other than a paramedic working in a hospital, no paramedic shall take orders from a nurse unless:

- *(a) The nurse is employed by an ambulance service and the nurse is conveying orders of a physician; or*
- *(b) The nurse is the owner or supervisor of the ambulance service and the orders are either covered by paragraph (a) of this subsection or are nonmedical in nature.*

(4) A first responder, emergency medical technician, or paramedic is presumed to know the standards of practice for his or her level of certification or licensure.

(5) It is the legal duty of a first responder, emergency medical technician, or paramedic to refuse to perform any act or procedure which is beyond his or her scope of practice regardless of whether that act or procedure is ordered by a physician, medical director, advanced registered nurse practitioner, registered nurse, or supervisor.

(6) No physician, medical director, advanced registered nurse practitioner, registered nurse, or supervisor of a first responder, emergency medical technician, or paramedic shall give an order to a first responder, emergency medical technician, or paramedic which they know, or should have known, exceeds the scope of practice of the person to whom

the order is given.

(7) No employer or organization for which a first responder, emergency medical technician, or paramedic has volunteered shall reprimand, discipline, or dismiss a first responder, emergency medical technician, or paramedic who has refused to perform an act or procedure which the first responder, emergency medical technician, or paramedic knows is in violation of the provisions of this section. Violation of this section by an employer or by an organization for which a first responder has volunteered shall be grounds for a legal action for wrongful discipline or wrongful discharge, as appropriate.

(8) The provisions of this section shall not apply to an order to perform an act or procedure:

(a) For which a license or certification by the board is not required and which otherwise do not constitute the unlawful practice of medicine; or

(b) For which no license or certification is required and does not involve medical care or treatment; or

(c) For which a license or certification issued by an agency other than the board is required and the first responder, emergency medical technician, or paramedic holds such a license or certification.

SECTION 33. A NEW SECTION OF KRS CHAPTER 311A IS CREATED TO READ AS FOLLOWS:

(1) Each emergency medical services medical director for an ambulance service, or other emergency medical services provider, shall submit his or her protocols, standing orders, and similar medical control documents to the board for approval prior to placing the document in use.

(2) The medical advisor for the board shall review each document submitted to ascertain if it is in accordance with accepted standards of medical care and in accordance with the provisions of this chapter and administrative regulations promulgated thereunder. If the protocol, standing order, or other medical control document clearly violates the accepted standards of medical care, this chapter, or an administrative regulation, the medical advisor shall notify the emergency medical services medical director of the exact violation and recommend a correction thereof.

(3) Following review of protocol, standing order, and medical control documents and giving the emergency medical services medical director who submitted the documents an opportunity to review the medical advisor's comments, the medical advisor shall submit the documents together with his or her comments to the board for approval or disapproval.

(4) The board shall approve, disapprove, or approve with modifications protocol, standing order, and medical control documents submitted by the emergency medical services medical director at its next regular or special meeting following the submission of the documents.

(5) If a protocol, standing order, or other medical control document is disapproved by the board, the emergency medical services medical director who submitted it may appeal the decision to the Franklin Circuit Court. If the decision of the board is appealed to the Franklin Circuit Court, the board shall bear the burden of proving that the protocol, standing order, or other medical control document violates the accepted standards of medical care, or an administrative regulation.

(6) The board shall, by administrative regulation, specify a schedule for submission and prompt review and decision making with regard to protocols, standing orders, and medical control documents submitted to the board.

SECTION 34. A NEW SECTION OF KRS CHAPTER 311A IS CREATED TO READ AS FOLLOWS:

(1) When it appears that a person whom a paramedic who has successfully completed training in determination of death has been called to attend is dead, the paramedic shall, utilizing the protocol specified by the board by administrative regulation, determine whether or not the patient is dead after resuscitation of the patient is attempted by the paramedic or an emergency medical technician who has responded with or after the paramedic, unless the protocol indicates that the patient is not capable of being resuscitated. If, after resuscitation has been attempted on a patient who the protocol deems is capable of being resuscitated, the patient has not been successfully resuscitated according to the protocol, the paramedic may discontinue further resuscitation efforts and proceed to determine whether the patient is dead and whether to declare the patient dead. If it is determined that death has occurred in accordance with the procedures of KRS 446.400 with regard to patients who have not been resuscitated, the paramedic may make the actual determination and pronouncement of death. This section shall not apply to patients who are in a hospital when apparent death occurs.

(2) In the event that a paramedic determines that a person is dead, the paramedic shall make the notifications required by KRS 72.020 and take the protective actions required by that statute.

(3) Any paramedic course taught after July 15, 1998, shall include a course of instruction on the determination of death and preservation of evidence as required by the board by administrative regulation.

(4) Any paramedic from another jurisdiction desiring to become a paramedic in Kentucky shall show evidence of successful completion of a training course in Kentucky meeting the requirements of subsection (3) of this section, and licensure as a paramedic shall be denied if the required evidence is not shown.

(5) The administration of cardiopulmonary resuscitation or other basic life support measures to the apparently dead person prior to the arrival of the paramedic by any person, for the purposes of this section and KRS 446.400, shall not be considered as artificial maintenance of respiration and circulation. The administration of advanced cardiac life

support procedures by any person, other than a registered nurse rendering care pursuant to KRS 314.181, prior to the arrival of the paramedic shall preclude the determination of death by the paramedic, and the provisions of KRS 446.400 shall apply. However, nothing in this section shall preclude the supervising physician from directing the paramedic to cease resuscitative efforts under approved agency medical protocols.

(6) The resuscitative efforts of a paramedic under the protocols authorized by this section shall not invoke the provisions of KRS 446.400.

Such license or certification shall render the holder a legal practitioner of the practice or activity specified in the license or certification for the period stated on it. The board shall prescribe by administrative regulation the beginning and ending of the licensure or certification period.

(4) Any person who is licensed or certified by the board who allows his or her license or certification to lapse by failing to renew the license or certification as provided in this section may be reinstated by the board on payment of the current fee for original licensure or certification and by meeting the requirements of administrative regulations promulgated by the board.

(5) An application for renewal of a license or certification shall be sent to the last known address of each licensee or certified person.

(6) Any person practicing any practice or activity regulated by the board during the time his or her license or certification has lapsed shall be considered an illegal practitioner and shall be subject to the penalties provided for violations of this chapter.

(7) Failure to receive the application for renewal of a license or certification shall not relieve a paramedic, first responder, or emergency medical technician from the duty to renew his or her license or certification prior to December 31 of the year in which the license or certification expires.

(8) The duration of any license or certification issued by the board may be limited by disciplinary action of the board.

(4) Failure to keep a record required by the board by administrative regulation or required to be kept by statute, falsifying a record, or grossly negligently maintaining a record required to be kept by administrative regulation or statute shall be subject to action by the office of the board.

(5) Providing in-service training not meeting or exceeding the requirements specified in subsections (1) and (2) of this section shall be subject to action of the office of the board.

(6) Penalties specified in this section shall be in addition to any action which the board may be permitted to take against the license or certification of any person or organization.

If the protocol, standing order, or other medical control document clearly violates the accepted standards of medical care, this chapter, or an administrative regulation, the medical advisor shall notify the emergency medical services medical director of the exact violation and recommend a correction thereof.

(3) Following review of protocol, standing order, and medical control documents and giving the emergency medical services medical director who submitted the documents an opportunity to review the medical advisor's comments, the medical advisor shall submit the documents together with his or her comments to the board for approval or disapproval.

(4) The board shall approve, disapprove, or approve with modifications protocol, standing order, and medical control documents submitted by the emergency medical services medical director at its next regular or special meeting following the submission of the documents.

(5) If a protocol, standing order, or other medical control document is disapproved by the board, the emergency medical services medical director who submitted it may appeal the decision to the Franklin Circuit Court. If the decision of the board is appealed to the Franklin Circuit Court, the board shall bear the burden of proving that the protocol, standing order, or other medical control document violates the accepted standards of medical care, or an administrative regulation.

(6) The board shall, by administrative regulation, specify a schedule for submission and prompt review and decision making with regard to protocols, standing orders, and medical control documents submitted to the board.

SECTION 34. A NEW SECTION OF KRS CHAPTER 311A IS CREATED TO READ AS FOLLOWS:

(1) When it appears that a person whom a paramedic who has successfully completed training in determination of death has been called to attend is dead, the paramedic shall, utilizing the protocol specified by the board by administrative regulation, determine whether or not the patient is dead after resuscitation of the patient is attempted by the paramedic or an emergency medical technician who has responded with or after the paramedic, unless the protocol indicates that the patient is not capable of being resuscitated. If, after resuscitation has been attempted on a patient who the protocol deems is capable of being resuscitated, the patient has not been successfully resuscitated according to the protocol, the paramedic may discontinue further resuscitation efforts and proceed to determine whether the patient is dead and whether to declare the patient dead. If it is determined that death has occurred in accordance with the procedures of KRS 446.400 with regard to patients who have not been resuscitated, the paramedic may make the actual determination and pronouncement of death. This section shall not apply to patients who are in a hospital when apparent death occurs.

(2) In the event that a paramedic determines that a person is dead, the paramedic shall make the notifications required by KRS 72.020 and take the protective actions required by that statute.

(5) The administration of cardiopulmonary resuscitation or other basic life support measures to the apparently dead person prior to the arrival of the paramedic by any person, for the purposes of this section and KRS 446.400, shall not be considered as artificial maintenance of respiration and circulation. The administration of advanced cardiac life support procedures by any person, other than a registered nurse rendering care pursuant to KRS 314.181, prior to the arrival of the paramedic shall preclude the determination of death by the paramedic, and the provisions of KRS 446.400 shall apply. However, nothing in this section shall preclude the supervising physician from directing the paramedic to cease resuscitative efforts under approved agency medical protocols.

(6) The resuscitative efforts of a paramedic under the protocols authorized by this section shall not invoke the provisions of KRS 446.400.

Prior to funding any project pursuant to this subsection, a proposed project shall be approved by the Commission on Fire Protection Personnel Standards and Education as provided in subsection (4) of this section and shall comply with state laws applicable to capital construction projects.

(4) Applications for funding low-interest loans and firefighters' training centers shall be submitted to the Commission on Fire Protection Personnel Standards and Education for their recommendation, approval, disapproval, or modification. The commission shall review applications periodically, and shall, subject to funds available, recommend which applications shall be funded and at what levels, together with any terms and conditions the commission deems necessary.

(5) Any department or entity eligible for and receiving funding pursuant to this section shall have a minimum of fifty percent (50%) of its personnel certified as recognized by the Commission on Fire Protection Personnel Standards and Education.

(6) Upon the written request of any department, the Commission on Fire Protection Personnel Standards and Education shall make available a certified training program in a county of which such department is located.

(8) The commission shall withhold from the general distribution of funds under subsection (2) of this section an amount which it deems sufficient to reimburse volunteer fire departments for equipment lost or damaged beyond repair due to hazardous material incidents.

(9) Moneys withheld pursuant to subsection (8) of this section shall be distributed only under the following terms and conditions:

(a) A volunteer fire department has lost or damaged beyond repair items of personal protective clothing or equipment due to that equipment having been lost or damaged as a result of an incident in which a hazardous material (as defined in any state or federal statute or regulation) was the causative agent of the loss;

(b) The volunteer fire department has made application in writing to the commission for reimbursement in a manner approved by the commission and the loss and the circumstances thereof have been verified by the commission;

(c) The loss of or damage to the equipment has not been reimbursed by the person responsible for the hazardous materials incident or by any other person;

(d) The commission has determined that the volunteer fire department does not have the fiscal resources to replace the equipment;

(e) The commission has determined that the equipment sought to be replaced is immediately necessary to protect the lives of the volunteer firefighters of the fire department;

(f) The fire department has agreed in writing to subrogate all claims for and rights to reimbursement for the lost or damaged equipment to the Commonwealth to the extent that the Commonwealth provides reimbursement to the department; and

(g) The department has shown to the satisfaction of the commission that it has made reasonable attempts to secure reimbursement for its losses from the person responsible for the hazardous materials incident and has been unsuccessful in the effort.

(10) If a volunteer fire department has met all of the requirements of subsection (9) of this section, the commission may authorize a reimbursement of equipment losses not exceeding ten thousand dollars ($10,000) or the actual amount of the loss, whichever is less.

(11) Moneys which have been withheld during any fiscal year which remain unexpended at the end of the fiscal year shall be distributed in the normal manner required by subsection (2) of this section during the following fiscal year.

(12) No volunteer fire department may receive funding for equipment losses more than once during any fiscal year.

(13) The commission shall make reasonable efforts to secure reimbursement from the responsible party for any moneys awarded to a fire department pursuant to this section.

(14) There shall be allotted each year of the 1992-93 biennium one million dollars ($1,000,000), and each year of the 1994-95, 1996-97, 1998-99, and 2000-01 bienniums one million dollars ($1,000,000) of the insurance premium surcharge proceeds accruing to the Firefighters Foundation Program fund for the purpose of creating a revolving low-interest loan fund, which shall thereafter be self-sufficient and derive its operating revenues from principal and interest payments. The commission, in accordance with the procedures in subsection (4) of this section, may make low-interest loans, and the interest thereon shall not exceed three percent (3%) annually or the amount needed to sustain operating expenses of the loan fund, whichever is less, to volunteer fire departments for the purposes of major equipment purchases and facility construction. Loans shall be made to departments which achieve the training standards necessary to qualify for volunteer fire department aid allotted pursuant to subsection (2) of this section, and which do not have other sources of funds at rates which are favorable given their financial resources. The proceeds of loan payments shall be returned to the loan fund for the purpose of providing future loans. If a department does not make scheduled loan payments, the commission may withhold any grants payable to the department pursuant to subsection (2) of this section until the department is current on its payments. Money in the low-interest loan fund shall be used only for the purposes specified in this subsection. Any funds remaining in the fund at the end of a fiscal year shall be carried forward to the next fiscal year for the purposes of the fund.

The Committee on Economic Development reported **HB 542** with the expression of opinion that the same should pass. Read at length for the first time and ordered placed in the Calendar.

HB 542, AN ACT relating to economic development through the promotion of the value-added hardwood products industry.

WHEREAS, despite previous legislation supporting the secondary wood products industry, a lack of program funding combined with increased foreign competition and the need for emerging technology have placed the value-added hardwood products industry at a competitive disadvantage compared to other industries in Kentucky and the value-added hardwood products industry outside of Kentucky; and

WHEREAS, although the survival and success of the value-added hardwood products industry in Kentucky is dependent upon companies acquiring the emerging industry-related technology that is available to out-of-state companies in part due to assistance from those states, Kentucky has not addressed the technology divide that exists for this industry within the Commonwealth; and

WHEREAS, because value-added hardwood products companies that gain access to and utilize emerging technology produce maximum value-added products, achieve increased environmental awareness, and provide high-paying jobs requiring a skilled and educated workforce, it is in the interest of the Commonwealth to assist in advancing the technology base of Kentucky's value-added hardwood products industry;

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

(1) Basic and added reparation benefits are payable monthly as loss accrues. Loss accrues not when injury occurs, but as work loss, replacement services loss, or medical expense is incurred. Benefits are overdue if not paid within thirty (30) days after the reparation obligor receives reasonable proof of the fact and amount of loss realized, unless the reparation obligor elects to accumulate claims for periods not exceeding thirty-one (31) days after the reparation obligor receives reasonable proof of the fact and amount of loss realized, and pays them within fifteen (15) days after the period of accumulation. Notwithstanding any provision of this chapter to the contrary, benefits are not overdue if a reparation obligor has not made payment to a provider of services due to the request of a secured person when the secured person is directing the payment of benefits among the different elements of loss. If reasonable proof is supplied as to only part of a claim, and the part totals one hundred dollars ($100) or more, the part is overdue if not paid within the time provided by this section. Medical expense benefits may be paid by the reparation obligor directly to persons supplying products, services, or accommodations to the claimant, if the claimant so designates.

(2) Overdue payments bear interest at the rate of twelve percent (12%) per annum, except that if delay was without reasonable foundation the rate of interest shall be eighteen percent (18%) per annum.

(3) A claim for basic or added reparation benefits shall be paid without deduction for the benefits which are to be subtracted pursuant to the provisions on calculation of net loss if these benefits have not been paid to the claimant before the reparation benefits are overdue or the claim is paid. The reparation obligor is entitled to reimbursement from the person obligated to make the payments or from the claimant who actually receives the payments.

(4) A reparation obligor may bring an action to recover benefits which are not payable, but are in fact paid, because of an intentional misrepresentation of a material fact, upon which the reparation obligor relies, by the insured or by a person providing an item of medical expense. The action may be brought only against the person providing the item of medical expense, unless the insured has intentionally misrepresented the facts or knows of the misrepresentation. An insurer may offset amounts he is entitled to recover from the insured under this subsection against any basic or added reparation benefits otherwise due.

(5) A reparation obligor who rejects a claim for basic reparation benefits shall give to the claimant prompt written notice of the rejection, specifying the reason. If a claim is rejected for a reason other than that the person is not entitled to the basic reparation benefits claimed, the written notice shall inform the claimant that he may file his claim with the assigned claims bureau and shall give the name and address of the bureau.

(6) (a) The remedies under this subtitle are not exclusive and shall supplement any other remedies the insured may have, including remedies under KRS 304.12-230.

(b) In an action for overdue payments brought by an insured under this section, the trier of fact shall determine if the delay was without reasonable foundation. However, this does not prevent a proper motion under Rule 56 of the Kentucky Rules of Civil Procedure."; and
